DISCLAIMER

I hereby disclaim the terminal part of any patent granted on the above-noted application, which would extend beyond the expiration date of the full statutory term of United States Patent No. 6,416,622; and hereby agree that any patent so granted on the above-noted application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,416,622, this agreement to run with any patent granted on the above-noted application and to be binding upon the grantee, its successors or assigns.

I do not disclaim any terminal part of any patent granted on the above-noted application prior to the expiration date of the full statutory term of United States Patent No. 6,416,622 as presently shortened by any disclaimer in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a re-examination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

This Disclaimer is entered in accordance with the provisions of 35 USC 253 and of 37 CFR 1.321(b) of the Rules of Practice of the United States Patent and Trademark Office.
